RE: File #2002-02360

Dear Jacques Lague:

On August 30, 2004, the Department of Environmental Services ("DES") received photographs of the above referenced property, more specifically referenced on Town of Madison Tax Map 39 as Lot 217 (the "Property"). The purpose of these photographs was to determine compliance with RSA 483-B and applicable rules adopted under that statute, and specifically whether the deficiencies noted in the Letter of Deficiency issued to you on November 6, 2002, have been addressed.

As a result of this information, DES has determined that the deficiencies described in the Letter of Deficiency have been corrected. DES will close its enforcement file regarding the Property at this time. DES reserves the right to reopen this matter should additional information be received regarding additional violations on the Property.

Thank you for your assistance to bring this matter to a resolution. Should you have any questions, please contact the Wetlands Bureau at (603) 271-2147.

Sincerely,

Allyson L. Gourley
